

1 Mikstae witht his logo it's cruelty i the middle like this here

What I would like is to move the logo to the left and make it 2 times bigger there
the text "Progaovany marketigovy clanok" Mov that at the very top and make it behaidn teh grey
creeen there also make the something like the screenshot tbellow so it's on something bacorund

This is the top of the other advertorial there but focus on the where the logo is not on the
headline and the busbehaele this logo si simple but what we want is th epicure of the logo we
have ther bug on some sortf of bacourdn that is maybe greay or something that fit's in nicely
here

2. MISTAKE: REMOVE THE SCRICKY text that is not sticky from the right side f the screen
tehre premove it as a wohle there and put the aritilce wohle artice more in teh middle.

4. Emojis

- ✅ Deti sa vrátia domov s novými kamarátmi, ktorých by inak nikdy nespoznali.
- ✅ Zažijú dobrodružstvo v prírode, ktoré na žiadnej obrazovke nenájdu.
- ✅ Vybudujú si sebavedomie, ktoré im zostane na celý život.
- ✅ Naučia sa byť samostatné bez toho, aby potrebovali rodiča pri každom kroku.
- ✅ Naučia sa spolupracovať a komunikovať s ľuďmi, ktorých predtým nepoznali.
- ✅ A o desať rokov budú stále rozprávať o lete, ktoré zažili na tábore.

Can you amke those emojis embodied inside od the code so it they are little bigger and it looks better?

It works like magic. I was skeptical at first, but it never hurts to try. And what can I say, I already have 70% less than last week. That will save thousands! Amazing!

My dad recently lost his job, so he got this VeltaFlow to cut costs. It worked so well that he told me I should get one too. His costs have dropped by 85%, which is incredible.

I had no idea it was so easy to save money. I also didn't know that my energy provider was cheating me out of thousands of dollars. I feel liberated. I can't remember anything getting cheaper lately, and that's a lifesaver for me.
